

Is there a list of the best learning and troubleshooting resources for supporting and using Docker?

Below is a consolidated list of the top knowledge, educational, and troubleshooting resources for Docker. This list will be updated periodically.

## Support Resources

**Technical Support Portal/Non-technical Customer Service Support Form (<https://success.docker.com/support>)**

- Docker Commercial Support Service Levels ([https://success.docker.com/article/Commercial\\_Support\\_Service\\_Levels](https://success.docker.com/article/Commercial_Support_Service_Levels))
- Docker Maintenance Lifecycle ([https://success.docker.com/article/Maintenance\\_Lifecycle](https://success.docker.com/article/Maintenance_Lifecycle))
- Docker Compatibility Matrix ([https://success.docker.com/article/Compatibility\\_Matrix](https://success.docker.com/article/Compatibility_Matrix))
- Docker Subscription Information (<https://www.docker.com/pricing>)

**Docker Knowledge Base (<https://success.docker.com>)**

**Docker Documentation (<https://docs.docker.com>)**

**Docker Reference Architectures (<https://success.docker.com/architectures>)**

**Docker Solution Guides (<http://success.docker.com/solutions>)**

**Docker Github Repo (<https://github.com/docker>)**

**Moby Github Repo (<https://github.com/moby/moby>)**

**Docker Security Info (<https://www.docker.com/docker-security>)**

**Docker YouTube Channel (<https://www.youtube.com/user/dockerrun/videos>)**

**Docker Community Forums (<https://forums.docker.com>)**

## Troubleshooting

Docker Logging Design & Best Practices ([https://success.docker.com/article/Docker\\_Reference\\_Architecture-\\_Docker\\_Logging\\_Design\\_and\\_Best\\_Practices](https://success.docker.com/article/Docker_Reference_Architecture-_Docker_Logging_Design_and_Best_Practices))

Troubleshooting DTR ([https://success.docker.com/article/Troubleshooting\\_a\\_DTR\\_2.3.x\\_cluster](https://success.docker.com/article/Troubleshooting_a_DTR_2.3.x_cluster))

Troubleshooting UCP ([https://success.docker.com/article/Troubleshooting\\_a\\_UCP\\_2.2.x\\_cluster](https://success.docker.com/article/Troubleshooting_a_UCP_2.2.x_cluster))

Troubleshooting External Certificates  
([https://success.docker.com/article/Troubleshooting\\_External\\_Certificates\\_for\\_UCP-DTR](https://success.docker.com/article/Troubleshooting_External_Certificates_for_UCP-DTR))

Swarm Troubleshooting Methodology  
([https://success.docker.com/article/Swarm\\_troubleshooting\\_methodology](https://success.docker.com/article/Swarm_troubleshooting_methodology))

Troubleshooting Container Networking  
([https://success.docker.com/article/How\\_to\\_debug\\_container\\_networking](https://success.docker.com/article/How_to_debug_container_networking))

Help with Windows Containers (<https://success.docker.com/article/where-to-get-help-with-windows>)

Register for a Docker ID ([https://success.docker.com/article/How\\_do\\_you\\_register\\_for\\_a\\_Docker\\_ID](https://success.docker.com/article/How_do_you_register_for_a_Docker_ID))

How to Access Docker EE Subscription

([https://success.docker.com/article/How\\_do\\_I\\_access\\_my\\_Docker\\_Enterprise\\_Edition\\_Subscription](https://success.docker.com/article/How_do_I_access_my_Docker_Enterprise_Edition_Subscription))
