

Register for a Docker ID

Your Docker ID becomes your user name space for hosted Docker services and becomes your username on the Docker Forums.

1. Go to the [Docker Hub sign up page \(https://Hub.docker.com/\)](https://Hub.docker.com/).

2. Enter a username that will become your Docker ID.

Your Docker ID must be between 4 and 30 characters long, and can only contain numbers and lowercase letters.

3. Enter a unique, valid email address.

4. Enter a password between 6 and 128 characters long.

5. Click **Sign Up**.

Docker sends a verification email to the address you provided.

6. Click the link in the email to verify your address.

Note: You cannot log in with your Docker ID until you verify your email address.
